

SESSION IV WORKSHOPS: 12:20-1:20
(ALL SESSIONS IN PUTNAM SCIENCE CENTER)

	Workshop	Grade Level	Room
1	Sponsored Workshop: A Greener Chemistry Program - Understanding One Part Per Million <i>Patsy Eldridge, Educator/Sales Specialist, Lab-Aids, Inc</i>	M/H	351
2	New Tools for STEM Education from Carolina™ Curriculum <i>Jim Smoyer, Consultant</i>	E/M	126
3	Genetics Gets Personal: Teaching the Ethical, Legal and Social Issues in Personal Genetics <i>Lauren Tomaselli, Harvard Medical School - Personal Genetics Education Project</i> <i>Dr. Marnie Gelbart, Harvard Medical School - Personal Genetics Education Project</i>	H	129
4	Christa McAuliffe: The Lost Lessons & Her Legacy in Ideas & Imagery <i>Philip Browne, Science Instructor/Consultant, Concord Community Ed</i>	All	175
5	A Vision of Science Education in the 21st Century <i>Jimmy Karlan, Antioch University New England</i>	M/H	380
6	Mineral Characteristics and Identification <i>Heather Brunelle, Ross Lurgio Middle School</i>	All	251
7	Building a Statewide Education and Outreach Network Around Climate and Energy <i>Cameron Wake, University of New Hampshire, ESRC/EOC</i> <i>Stacey Doll, NH Energy and Climate Collaborative</i>	All	181
8	Physics Teacher Share-a-thon <i>Scott Goelzer, Coe Brown Academy</i>	All	301
9	Learning Scientific Inquiry through Field Investigations <i>Perrin Chick, Seacoast Science Center</i>	All	161
10	Using Field Investigations to Understand One's Place in the World <i>Dr Judy Silverberg, NH Fish and Game and Susan Cox, USDA Forest Service</i>	All	154
11	Using Invasive Species to Apply Inquiry-Based Skills and Learning in your Elementary or Middle Level Classroom: A Fun, Hands-on Exploration <i>Piera Siegert, State Entomologist; NH Department of Agriculture, Markets and Food</i> <i>Laura Beard, NH Dept. of Agriculture, Markets and Food</i>	E/M	127
12	REsearch and REthink the Way You Teach Recycling <i>Nicole Martin, Franklin Middle School</i>	M	364
13	Diffusion, the Cell Membrane, and Ourselves: Biology Comes Alive through the Aesthetic Realism Method <i>Rosemary Plumstead, retired NYC science educator/teacher trainer</i> <i>Sally Ross, retired NYC science educator</i>	M/H	303
14	What the heck is a POGIL? <i>Dr. Jerry Jasinski, Keene State College</i>	H	203
